WHITE TIGERS

Breeding pair:

Name:	Sex	Isis#	Date of birth
AASUR	M	H328W	7-24-92
NIAGARA	F	H291W	6-05-90

These tigers are a proven breeding pair and have beautiful cubs. The only problem is we have too many cubs from them and do not want to start inbreeding. If you buy these tigers, they end up with four or five cubs every time.

Name:	Sex	Isis#	Date of birth
TILAC	M	H404W	9-26-02
KHAN	M	H405W	9-26-02
SEMRAN	F	H406W	9-26-02

Price for the trio that live together: \$2500 each.

These three are beautiful tigers with nice character and no defects.

Name:	Sex	Isis#	Date of birth
ISIS	F	H358W	5-13-97

Price: \$1000

ISIS is a trained female. We have taken her out of the act and replaced her with an animal that does more.
